### **Fathers Day Prayer**

When God created Fathers  
He thought of love and care,  
Encouraging and helpful words,  
Kind and caring deeds,  
Love and trust and thoughtfulness  
The kind a family needs;  
A patient heart, a helping hand,  
Warmth and wisdom,  
Thank God for fathers  
Who are more than good.  
They share so much of what they  
have,  
To make us feel so good.

*The quickest way for a parent to get a child's attention is to sit down and look comfortable.*

**A Fathers thought**  
*I didn't intend to do a thing today and so far I'm right on schedule .*
