Reflection.

The tax-collector knew his place before God. God is my Creator, in whom I live and have my being. I am a sinner, and have no right to think myself superior to anyone else. Even the hardened criminal and the beggar on the street are children of God. We should see them with compassion and say to ourselves, "There, but for the grace of God, go I." The Pharisee need not feel superior. He could have been born in different circumstances and become a tax-collector. He would do well to stand with the man at the back of the temple and pray "God, be merciful to me a sinner"

Heating in Ss. Peter & Paul's Church

With the days getting colder the heating in Ss. Peter & Paul's Church has been turned on. We will strive to keep the church as warm as possible throughout the winter months. The cost to run the heating last winter was between €700 & €800 per week, with this in mind we would appreciate any voluntary donations to try to offset the cost and ensure the church is warm for all services. Should you wish to donate there are envelopes at the back of the church or you can write "Heating Donation" on an envelope and return it to the Office, Sacristy or through the Sunday collection basket.
